

## Notice on COVID-19 Vaccination Plan in Kakogawa City

In Kakogawa city, COVID-19 vaccinations have been administered in order of priority, starting with elderly residents. Vaccination tickets (vaccine coupons) will be mailed to residents (including foreign residents). The schedule may be subject to change later, depending on amount of vaccines that will be provided to Kakogawa city, and also the situation of the securing vaccination system. For the latest information, please visit the Kakogawa city's website or call the call center.

### <Eligibility and Procedure>

- Residents aged 16 and older are eligible.
- Vaccines are free of charge.
- Making an appointment in advance is required for vaccination.
- For those who applied for the lottery for a vaccination appointment, drawing will be carried out in order, and then the date, time, and place of vaccination will be decided. (This is the way to choose vaccine recipients at present. It may be subject to change later.)

### ※ What to bring on the day of your vaccination

- ・ Vaccination ticket (vaccine coupon)    ・ Prevacination screening questionnaire (one set)
- ・ Identification documents (health insurance card, driver's license, individual number card, etc.)    ・ Prescription record book (if you are taking any medication)

### ※ Requests before vaccination

- ・ The vaccine will be injected into your shoulder or around that area. Please come to the vaccination center with clothes that make it easy to expose your shoulder, such as short-sleeved clothes under outer wear.
- ・ Fill in all the sections in the bold lines of the prevaccination screening questionnaire in advance.
- ・ If you have underlying medical conditions, or have experienced severe allergic symptoms from medication or foods, please consult with your primary care doctor beforehand.

Please visit Kakogawa City's website for information on the date, time, and place of vaccination, and how to make a vaccination appointment.
