

Eco Clean Pier Harima is going to go into full-scale operation!

Burnable, non-burnable and oversized garbage in Kakogawa City are going to be processed at the Eco Clean Pier Harima (address: 6-1-1 Urmei, Takasago City) operated by two cities and two towns (Kakogawa City, Takasago City, Inami-cho and Harima-cho).

From February 2022 onwards, if you carry in your garbage by yourself, please bring it to the Eco Clean Pier Harima.

Contacts for inquiries regarding garbage are also going to change.

Opening hours 8:15–15:30 Mon.–Sat. (incl. public holidays)

How to Put Out Garbage

Please also see the back of this page.

Burnable garbage (Please put out in a designated garbage bag.)

Please use Kakogawa City's designated garbage bags.

Please note that burnable garbage in bags other than designated garbage bags cannot be collected.

Designated garbage bags can be purchased at supermarkets, hardware stores, drugstores, convenience stores, etc.

(Some stores may not have all the types of bags.)

☆ Put garbage in 45, 30 or 15-liter designated garbage bag to put out at the collection point.

Point 1

- ◎ Drain food waste thoroughly.

Point 2

- ◎ Squeeze the air out of the garbage bag as much as possible.

Point 3

- ◎ Cooking oil should be solidified by coagulant or soaked in a cloth, etc., and put out little by little.

Non-burnable garbage (Please do not put out in a garbage bag.)

Point 1

- ◎ Take out of the garbage bag and put in a basket directly. There is no designated color for the baskets.

Point 2

- ◎ Light bulbs, flat glass, knives, etc. should be wrapped by newspaper, etc. and written “キケン” (dangerous).

Point 3

- ◎ To dispose of small home appliances, please use a collection box (the slot size of 15cm x 40cm) located at the City Hall, Environment Beautification Center, Civic Centers, public halls and Human Rights Culture Center.

Please put out spray cans and gas cartridges at the collection point on the can collection day.

● Plastics are burnable garbage, so they cannot be collected as non-burnable garbage.
